

UNIVERSAL CREDIT ROADMAP

WE BELIEVE THE WELFARE SYSTEM CAN WORK BETTER

Policy in Practice helps people towards financial independence. We're a policy led software and analytics business and we make the welfare system simple to understand and navigate.

DATA ANALYTICS

Explore your data over time with a LIFT Dashboard. See the impact of reforms on your households with a Policy Impact Analysis.

SOFTWARE

Grow the financial resilience of people you help with our fast, accurate and easy to use Benefit and Budgeting Calculator.

DATA MODELLING

Model the impacts of changes on vulnerable groups, scheme costs, arrears and enforcement with our Council Tax Support Scheme modelling.
