## ORGANISATIONS WE WORK WITH

The Policy in Practice **LIFT Dashboard** has allowed us to draw together previously disparate databases into one easily accessible platform. It maps our data against future predicted changes and gives us an easily accessible platform to see what residents' situations are.

Chris Parker, Newcastle City Council

We chose to work with Policy in Practice because their unparalleled expertise in simplifying the welfare system, as well as their **Benefit and Budgeting Calculator**, allows us to deliver innovative services to jobseekers across the entire Southern region.

Marise Mackie, Pluss

Policy in Practice's **Benefit and Budgeting Calculator** was something we really needed. It's enabled us to provide a consistent approach to assessing affordability. We give our customers an online tool which lets them take control of their finances and liaise with us electronically, without the awkwardness or challenge sometimes faced in person.

Carole Kenney, Phoenix

Faced with a big funding gap Lambeth must make cost reductions. We commissioned Policy in Practice to give us clear, trustworthy information to evaluate proposed **CTS scheme** options and consult with affected groups. They've done this and more, by also showing us where our welfare support can be best targeted.

Tim Hillman-Brown, Lambeth Council
