

## BENEFIT AND BUDGETING CALCULATOR

### GROW THE FINANCIAL RESILIENCE OF THE PEOPLE YOU HELP

Our Benefit and Budgeting Calculator is outcome-focused and gives frontline advisors information they can trust. They can easily explain complex benefit changes and give people the advice they need to make decisions.

#### FAST

See the most important questions first, saving time. Save, access and share calculations for later. Increase efficiency with holistic advice in one place and see a full break down of a calculation to remove second guessing.

#### ACCURATE

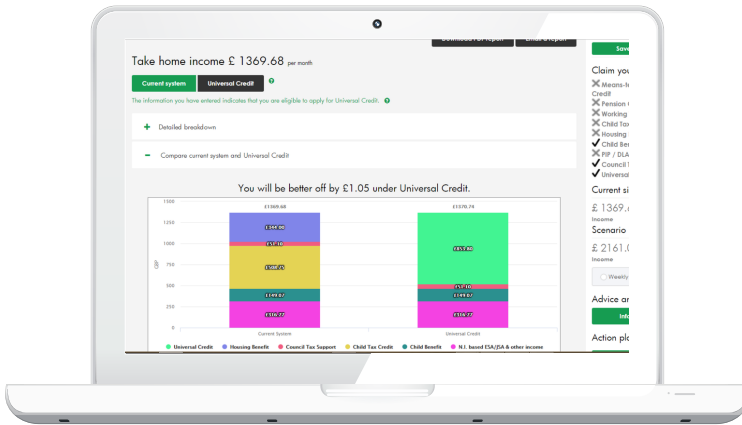

Accurately calculate maximum benefit income. Create individual action plans. Compare outgoings and see where savings might be made. Use quick links to apply for benefits and search for a job. Built in DHP calculator add on available.

#### SIMPLE TO USE

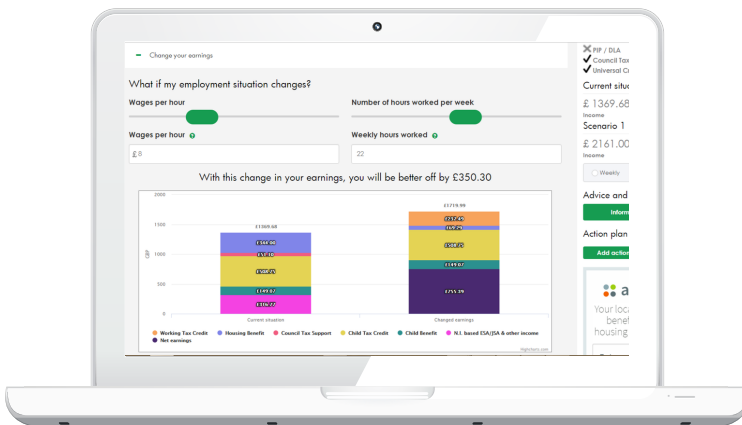

Explain complex changes with plain English and clear visuals. Flex earnings and compare income in different scenarios, side by side. Get support via built in help, tips and live chat. Access LASA's localised advice in a click via the built in widget.

## EXPLAIN COMPLEX CHANGES SIMPLY

-  Identify possible ways to improve budgeting

When we were looking at a new benefit calculator, all of our colleagues who tested Policy in Practice's **Benefit and Budgeting Calculator** agreed it was the one they wanted to have – the decision was unanimous! Its ease of use and visual features will make it much easier to help our customers.

Emma Owens, Curo Group

The **Benefit and Budgeting Calculator** is amazing, the frontline volunteers find it really useful. I especially like the calendar that shows claimants who get paid weekly how their monthly Universal Credit payments will be affected over the next 12 months.
